

To Mr. Babanrao Patil,

Subject : Testimonial for excellent service.

I Mrs. Anuratha Pillai would like to pass a testimonial to Mr. Babanrao Patil.

I am sure the biggest problem that most of us face in our Business is the Collections part.

I had a client who wasn't making the payment for more than three months giving all the possible reasons. He had no intentions of making the payment. Now, since the amount was big enough to let go, I contacted Babanrao and explained him the scenario. He told me to follow certain things and assured me that the payment will be received. To my surprise I got the payment within a week of consulting him.

I truly recommend him for his excellent solutions to all your personal and professional problems.

Thanks & Regards,

Anuratha Pillai
