I would like to give a Testimonial to Babanrao Patil. I used to face a lot of hurdles in Business , its like even after a deal was closed , lot of complications used to arise.

Babanrao , visited my office three weeks back and gave suggestion to make certain changes based on Vastu.

Three weeks is a very short time , but I must confess that I can feel the change in my business. Also I feel more confident, before taking any major decision.

I would like to thank him for all the suggestions and advise, he has provided.

Regards,
Bimal Ramdas
